RE: Addendum 01 to Bid D5-09-033Q, Camdenton Maintenance Building Roof.

Dear Vendors:

Please note that this addendum letter is to inform all potential bidders of the following changes to bid D5-09-033Q.

Item 1:

Section 3.6 currently reads: Contractor to install a metal drip edge over top of metal sheeting on front and back of building and metal caps over side parapet walls. Drip edge should extend under EPDM roofing material and sealed from elements. Drip edge on top of metal roof where it meets EPDM shall be of the same material and color of roof; it must overlap metal roof a minimum of four inches.

Section 3.6 shall be amended to read: Contractor to install a metal drip edge over top of metal sheeting on back of building and metal caps over front and side parapet walls. Drip edge should extend under EPDM roofing material on backside of roof and sealed from elements. Metal caps on top of metal roof where it meets EPDM roofing material shall be of the same material and color of roof, and must overlap roof a minimum of four inches.

Item 2:

Terms and Conditions Insurance Sections currently reads: Prior to contract signing, the Offeror may be asked about its ability to provide certificate of insurance which meet, or approach, the following coverages:

- a. General Liability Not less than \$500,000 for any single one person in a single accident or occurrence, and not less than \$3,000,000 for all claims arising out of a single occurrence.
- b. Automobile Liability Not less than \$500,000 for any one person in a single accident or occurrence, and not less than \$3,000,000 for all claims arising out of a single occurrence.
- c. Missouri State Workmen's Compensation policy or equivalent in accordance with state law.
